2X HYDRO-DEMOLITION, LLC, and
DONALD G. LAVIERS.

Defendants.

No. 3:14-CV-442-PLR-CCS

summons and initial pleadings have been served on Defendants. Moreover, no attorney has appeared on behalf of the Defendants.

Plaintiff asks that Defendants be ordered to respond to the discovery within ten (10) days of its motion, *i.e.* nine (9) days of the summons issuing, despite the fact that Plaintiff has no assurance that it will be able to serve the Defendants in this period. For obvious reasons, the Defendants presumably have no knowledge¹ of the requested relief and are not able to respond to the requested relief. Without knowledge of the request or an opportunity to respond, the Court is disinclined to grant the Plaintiff the relief it seeks.

Accordingly, the Motion for Expedited Discovery [Doc. 7] is **DENIED WITHOUT PREJUDICE**, to all refiling as appropriate.

IT IS SO ORDERED.
